

Summer Camp Before and After Care

TheatreWorks will be offering engaging before and after-camp care which will also be held at Walter Hays Elementary from 8:00-9:00 am and 3:00-5:30 pm. The cost of before and after-camp care is \$8.00 per hour if your child is registered in advance, or a drop-in rate of \$10 per hour. To sign up for before and after-camp care in advance, please put a check mark in the chart below indicating the days and times you will be needing care. Add up the total hours and multiply by \$8.00 per hour to find your total cost. Please include a check for this amount when returning your camp forms and remainder of your tuition.

Once camp begins, the drop-in rate will apply. If you need drop-in care you will need to inform TheatreWorks no later than 24 hours before the day the care is needed by calling the TheatreWorks summer camp phone line at 650-463-7146.
