

- **Who can rent from TheatreWorks Prop Rentals?**

The TheatreWorks Props Department makes its stock available for rentals to the local theatre community, schools, film production companies, and other professional organizations. We cannot accommodate individual rentals at this time.

We do not rent for parties, weddings, or other special events.

- **What can I rent from TheatreWorks Prop Rentals?**

We have a very large stock that ranges from antique to contemporary furniture, appliances, and hand props, some of which can be seen at <http://www.flickr.com/photos/29067827@N07/>

We do NOT rent weapons, loose floral items, dish sets, or irreplaceable items.

- **How much do rentals cost?**

All rentals cost a minimum of \$20 regardless of what you rent. Our per-piece fees range from \$5 for small hand props to \$200 for antique furniture. We are able to make accommodations for small-budget productions at the discretion of the TheatreWorks Properties Manager.

A security deposit is required in the amount of \$100 or half the replacement value of the items rented, whichever is greater. It will only be retained in the event of extreme damage, late return, or failure to observe the rental contract conditions.

The rental fee and deposit are due at the time of the rental. We accept Visa, MasterCard, or American Express as well as personal checks.

- **Do I need to make an appointment to rent or return props?**

A confirmed appointment is required to rent and return props. We will not rent without an appointment; if you return a rental without notice or confirmation, we may retain your deposit.

We appreciate a minimum of 48 hours notice for appointments, and rental hours are subject to cancellation due to in-house production demands.

For a rental appointment, please contact [proprentals@theatreworks.org](mailto:proprentals@theatreworks.org).

- **Can I rent props when I come for my costume rental appointment?**

You must make a separate appointment for prop and costume rentals.

- **How is the actual rental process handled?**

You will be expected to pull your own props, accompanied at all times by a Props Department staff person or volunteer. If you are renting furniture or other large items, you will need to have enough people with you to move and load these items.

You are expected to have your own rope, straps, and packing material to move our prop undamaged.

You will pay a rental fee, provide a deposit, and sign a rental form with an itemized list of props with notes as to condition and permissible alterations.

- **Can I paint, upholster, or otherwise alter a rented prop?**

You may only alter a rented prop with the written permission of the TheatreWorks Properties Manager, given in advance on the rental form.
